

FLEET • FARM • FIELD ECONOMY R & O HYDRAULIC OIL

DESCRIPTION: TechSelect® Fleet• Farm• Field Economy R&O Hydraulic Oil is blended from highly refined base oils and an additive package that offers protection from rust, corrosion and foaming. The viscosity grade is ISO 32 (SAE 10WT). TechSelect® Fleet• Farm• Field Economy R&O Hydraulic Oil contains inhibitors to protect hydraulic systems from rust, corrosion and high temperature fluid oxidation.

TechSelect® Fleet• Farm• Field Economy R&O Hydraulic Oil is intended for use in general industrial applications, farm equipment, logging equipment, construction equipment and other applications where operating conditions are normal to moderate. Consult the equipment manufacturer's specifications for proper application.

PERFORMANCE

- BENEFITS:**
- Provides rust, corrosion and oxidations protection
 - Mixes safely with original fluids
 - Resists air entrainment and foaming
 - Effective as a heat transfer fluid

TYPICAL

PROPERTIES:	ISO Viscosity Grade	ASTM	
	Specific Gravity at 15.6°C	D 1298	0.904
	Flash Point, °C	D 92	182
	Pour Point, °C	D 97	-34
	Viscosity, cSt at 100°C	D 445	4.9
	Viscosity, cSt at 40°C	D 445	32.2
	Density, pounds per US gallon	D 1250	7.5
